## **Communication Responsibilities**

All firefighters have five communication responsibilities:

- · Brief others as needed.
- Debrief your actions.
- · Communicate hazards to others.
- · Acknowledge messages.
- Ask if you don't know.

## Leader's Intent

Additionally, all leaders of firefighters have the responsibility to provide complete briefings and ensure that their subordinates have a clear understanding of their intent for the assignment:

- Task = What is to be done?
- Purpose = Why it is to be done?
- End State = How should it look when done?
